CTE @ TMCC

- Nevada's fastest-growing industries need skilled workers, not just 4-year degrees. By 2031, **34% of Nevada jobs will require education beyond high school but less than a bachelor's degree.**
- CTE programs prepare students for **high-skill, high-demand careers** that align directly with Nevada's key industries: advanced manufacturing, health care, logistics, construction, IT, etc.
- CTE students **graduate at a higher rate** and have **stronger transitions to employment** and/or continued education and training.
- **CTE programs link education to industry**, strengthening Nevada's economic resilience and mobility for youth and adults alike.

Regional Partnership Ecosystem

- Reno + Sparks Chamber Partner
- EDAWN Member and Designated Trustee

"TMCC plays a critical role in preparing the talent that drives our regional economy. This partnership reflects a shared commitment to connecting education, business, and civic leadership in meaningful ways. By collaborating more intentionally, we can strengthen workforce pipelines, support local employers, and ensure Reno-Sparks remains a vibrant place to live, work, and do business."

- Reno + Sparks Chamber CEO Ann Silver
